

Making Music and a Better Community

Acknowledgement of Donation

Thank you for partnering with the Redwood Coast Music Festival by donating in support of our music festival. You are helping to perpetuate the value of music in our culture by paying it forward to the next generation.

Generous contributions from our sponsors go directly to support the activities involved in producing Redwood Coast Music Festival musical opportunities, and to allow us to produce this amazing, fun-filled, four-day, music festival. RCMF has an all-volunteer Board and involves more than 100 local volunteers--no paid employees—in the festival event.
